January 1, 2012

Dear Attorney:

Dr. John Vasiliades, PhD, laboratory director and chief consultant at Toxicology Laboratories, Inc., of Omaha, Nebraska, will teach a day course in forensic toxicology for attorneys titled "*Forensic Toxicology for Attorneys 2012: Alcohol, Drugs, and How to Use an Expert.*"

The course focuses on several relevant topics for the litigator: (a) urine analysis alcohol and drug testing; (b) blood and breath alcohol testing; (c) hair follicle drug testing; (d) National Academy of Sciences reports; (e) laboratory specimen chain of custody procedures and litigation package materials; (f) *Melendez-Diaz v. Massachusetts (2009)*.

**The course will be held on Friday, March 9, 2012, from 9:00 AM to 5:00 PM Central Standard Time, at the SpringHill Suites Dallas DFW Airport North / Grapevine (Marriott) in Dallas, Texas.**

**This course activity is approved for 7.00 Continuing Legal Education ("CLE") credit hours by the State Bar of Texas MCLE Department (901237531) and 8.00 CLE credit hours by the Kansas CLE Commission (92701). This course activity is approved for 7.80 CLE credit hours by the Missouri MCLE Department and 7.00 CLE credits by the Alabama State Bar (120726). This course activity is approved for 7.00 Regular CLE hours and 1.00 Ethics hour and 1.00 Trial hour by the State Bar of Georgia (158805). This course is approved for 7.00 CLE credits by the Mississippi Commission on CLE and may qualify for CLE credit in other jurisdictions.**

The intensive day course in forensic toxicology will be held at:

**SpringHill Suites Dallas DFW Airport North / Grapevine (Marriott)  
2240 W. Grapevine Mills Circle  
Grapevine, Texas 76051  
P: (817) 989-7800  
W: <http://www.marriott.com/dalgv>**

Dr. Vasiliades possesses over twenty-two (22) years of practical toxicology and clinical chemistry experience, and has testified or provided litigation support in over one thousand (1000) legal cases.

Dr. Vasiliades is a Diplomat of the American Board of Forensic Toxicology (DABFT) (1993) and a Diplomat of the American Board of Clinical Chemistry (DABCC) (1980).

The unique and intensive one (1) day course in forensic toxicology shows the litigator how to effectively utilize a forensic toxicology expert in criminal and civil court cases in order to prevail.

An assortment of academic articles and technical laboratory litigation package materials will supplement the course instruction and may prove useful to the litigator in his or her legal practice.

The course enrollment fee is Two Hundred Seventy Five Dollars (\$275.00) for attorneys, and One Hundred Fifty Dollars (\$150.00) for law students and new attorneys admitted to practice law in their respective jurisdiction one (1) year prior to the date of course enrollment.

Attorneys may register for the course online with a credit card at <http://www.toxlabsonmaha.com/courses.htm> or forward a check payment with a completed registration form directly to our office.

Please contact Dr. Vasiliades directly with questions at (402) 935-0401 or [toxlabs@qwestoffice.net](mailto:toxlabs@qwestoffice.net)

We hope that you will join us in beautiful Dallas, Texas on Friday, March 9, 2012 for this special event.

Sincerely,

A handwritten signature in cursive script, reading "Evan Vasiliades", is displayed on a light gray rectangular background.

Evan Vasiliades  
Toxicology Laboratories, Inc.
